Вебінари Springer Nature

The image shows a screenshot of the Springer Nature website. At the top left is the Springer Nature logo. To the right is a search bar and a language selector set to 'EN'. Below the logo is a 'Home' button. The main banner features a large image of an iceberg with a small boat in the water. Overlaid on the image is the text 'Advancing discovery' in a large font, followed by a paragraph: 'We advance discovery by publishing robust and insightful research, supporting the development of new areas of knowledge and making ideas and knowledge accessible around the world.' Below this is a 'Learn more' button. At the bottom of the banner are six navigation buttons: 'Access our content', 'Publish with us', 'Explore our products', 'Learn about open research', 'Enhance your library', and 'Buy a book'. Below the banner is a section with two paragraphs of text and a small 'ADVANCING DISCOVERY' logo with a play button icon.

We are a global publisher dedicated to providing the best possible service to the whole research community. We help authors to share their discoveries; enable researchers to find, access and understand the work of others and support librarians and institutions with innovations in technology and data.

We use our position and our influence to champion the issues that matter to the research community – standing up for science; taking a leading role in open research and being powerful advocates for the highest quality and ethical standards in research.

ADVANCING DISCOVERY

4-5 березня 2020 року відбудеться серія вебінарів по роботі з ресурсами Springer Nature.

Тематика віртуальних тренувань присвячена роботі з платформою Springer Link. Йтиметься про контент Springer Nature (журнали та електронні книги), розміщений на цій платформі, правила використання, режим доступу, інструменти, тощо.

Вебінари проводитиме Рене Ернюдс – менеджер з розвитку компанії Springer Nature.

Участь безкоштовна за попередньої реєстрації.
